Terms & Conditions: This certificate confirms that the above-named policyholder and their beneficiaries are covered under the AssureX Basic health insurance plan for the period stated above. Coverage includes medical expenses, hospitalisation, and outpatient care as defined in the full policy document. Pre-existing conditions declared at registration are subject to a 6-month waiting period. This document serves as official proof of health insurance and payment. In case of a medical event or claim, contact your assigned commercial agent immediately with this contract reference number. Policy renewal must be completed before the expiry date to maintain continuous coverage. AssureX reserves the right to modify policy terms with 30 days prior notice.
