Terms & Conditions: This certificate confirms that the above-named policyholder is covered under the AssureX Standard taxi insurance plan for the period stated above. Coverage is valid for 6 months from the start date and subject to the full policy terms. This document serves as official proof of insurance and payment. In case of accident or claim, contact your assigned commercial agent immediately with this contract reference number. Policy renewal must be completed before the expiry date to maintain continuous coverage. AssureX reserves the right to modify policy terms with 30 days prior notice.
